HARVESTED FROM THE
HILLS OF SOUTH INDIA

From the lush Kolli Hills, Shevaroy Hills (Yercaud), Pachamalai, Yelagiri Hills, Nilgiri Hills, Javadi Hills, Kalrayan Hills and Sirumalai, we bring together the natural richness of South India.

Our selection celebrates forest herbs, native spices, traditional grains, millets, pulses, honey, medicinal plants and other naturally harvested ingredients, carefully sourced from these unique hill regions and preserved through traditional practices.
